

Culpeper Football Association, Inc., a non-profit organization, has begun work on its 7th season with Board Members newly elected. CFA wants to offer Culpeper's youth participants the best experience possible, as well as, its sponsors. We want to offer our sponsors a solid connection and working relationship with our organization. We want this year to be a great success for everyone involved.

CFA believes in providing Culpeper's youth with affordable opportunities to participate on Football teams and Cheerleading squads. CFA, founded in 2004 and affiliated with USA Football, believes it has matured and grown tremendously due to its sponsors and commitment to Culpeper's youth. CFA believes we can continue this success with your sponsorship support.

As you know, youth sports programs are very important to the growth and development of our children. CFA's goal is to promote and develop unity, sportsmanship and enthusiasm, while providing the safest equipment available. We keep our registration fees at a minimum so families do not have to face a large financial burden for their children to participate. CFA has never turned a child away because of financial shortfalls.

Since 2004, CFA has grown, from approximately 250 children between the ages of five and thirteen, to record high enrollment of over 600 youth participants. In 2007, CFA was recognized as Virginia's largest organized youth football league totaling four Divisions and thirty teams. CFA plays a part in the lives of well over 2,000 people in our community.

CFA anticipates that 2010 will have an even greater participation. We hope you will join our team to provide our community with a quality youth league. Your sponsorship is greatly appreciated.
